From The President

Brian Luscombe

With Christmas and the New Year fast approaching its time to reflect on the year past and what we have planned for 2015.

The memorial relocation worked well for ANZAC Day dawn service with our largest crowd yet. Next year we will have a grandstand just for members & service men and their families.

You will also see small personalised plaques around the base. Families can purchase these at reception.

with lounges and bar tables along with a new BBQ looks a treat and is already being enjoyed by everyone. We will now add shade blinds, and a larger external children's area. We have renamed this area the Quarter Deck

Our program of constant renewal of gaming machines saw new games and machines. Next we are developing a total refurbishment of the room to bring up to the same level as the rest of the venue. The foyer will get the same treatment with a new reception desk and waiting lounge area.

The Healesville 150th parade

the RSL winning the best entertainment with the Rats of Tobruk Pipe Band, the WW1 Re enactment Society, our returned service men, staff and the Healesville Army School of Health.

Financially the RSL is travelling along ok and will make a small profit again.

However we are yet to experience the full impact of the Terminus gaming room, as it has only just opened. So just a reminder, this is your club so make sure you and your friends support us.

On that note, it is membership renewal time, so renew now.

Thanks to the Committee, Gary and the Staff for a great year and to you for being a valued member of our RSL.

I hope you all enjoy wonderful and safe Chrissy and New Year with your family and friends.

Brian.

The Quarter Deck

New lounges, Bar seating, Lights and paint job have given new life the deck area. With the addition of new BBQ we are now able to offer BBQ's on the Deck over summer. You can also book a BBQ Function as well.

Guest Survey

You may have noticed the guest surveys we have been running in the Bistro recently. We are using the survey to review where we need to improve. As you can see from the responses (5 being very satisfied and 1 being least) we are heading in the right direction for member and guest satisfaction.

Music Festival

The RSL again was a host venue for the Healesville Music Festival. Growing year by year this fabulous showcase of talent was attended by many members and guest over the Saturday.
