

**Christmas** is fast approaching with this, our last newsletter for the year. And what terrific news we have for you. Around this time each year RSL Victoria holds its annual RSL Hall of Fame Awards Night, where we recognise those members in the RSL network who have made significant contributions to the RSL. **Healesville has had three Hall of Fame inductee's and three staff recognition awards over the past 10 years of the Hall of Fame Awards.**

I am delighted to advise you that last Saturday night Healesville once again featured with **Gaming Supervisor Lisa Broome receiving an Achievement & Recognition Award**. This award acknowledges individuals who have assisted in the ongoing development and success of their particular RSL Sub-Branch.

## Frontline

Summer 2019  
From The  
President

Brian Luscombe

Lisa started at Healesville in 2009 as an 18 year old casual in the RSL Bistro. Over the years Lisa learnt key aspects of the business and in August 2018 Lisa was recognised for her leadership growth and promoted to a permanent Venue Supervisor role where she is responsible for all staff, operations, functions and events in gaming, bar and bistro on each of her shifts.

It is in this role that Lisa has realised her early potential. A very good communicator with staff and members, Lisa is universally respected by all. Lisa does more than just plan, organize, and staff her team to achieve a goal. She also leads by motivating, communicating, guiding, and encouraging. She is a valuable part of Healesville RSL's succession planning. Her commitment to quality and personal and professional integrity is the differentiating factor that has helped set us apart from our competition. Well done from all of us. Please congratulate Lisa when you are next in the club.

We also congratulate Bendigo for winning RSL Sub Branch of the Year and Kyneton RSL for winning Sub Branch Manager of the Year.

Please enjoy a safe and happy Christmas with your family and friends and I look forward to seeing you all again in the New Year. Merry Christmas.

Brian
